Re: Escalante impoundment underdrain plug

Dear Mr. Hedberg:

This letter is to inform you that on December 3 we plugged the underdrain lines at the Escalante tailings impoundment, per our proposal of May 14, 1997. I was on site to oversee the work. We backfilled and graded the excavations required to access the valves after the grout and cement had been pumped into the lines.

Give me a call at (208) 769-4157 if you have any questions.

Sincerely yours,
